### News at a glance

#### EnhanceMicroAlgae Webinar

An upcoming webinar showcasing the EMA virtual tools and outputs is under preparation.

More details to be released.  
**Stay tuned!**

**Notice:** In light of the on-going coronavirus outbreak and the evolving governmental measures taken across Europe to tackle the virus, **the upcoming EnhanceMicroAlgae Manchester conference originally scheduled to take place on June 17-18, 2020 will be postponed.** We expect to re-schedule the conference when the situation will have hopefully stabilised, allowing all attendees and participants to travel freely and safely.

We will keep you updated of the latest developments in the planning of this event, including important deadlines.

#### Stakeholders Database

The [EMA database of stakeholders](#) is now available: an easily accessible, visual, and
