The **EnhanceMicroAlgae** project aims to facilitate the development of industrial and business opportunities in the microalgae sector within the Atlantic regions of Ireland, UK, France, Spain and Portugal.

## Newsletter - November, 2019

***Follow the link to get a copy of the Newsletter and read about the EnhanceMicroAlgae project outputs and participation in conferences and workshops!***

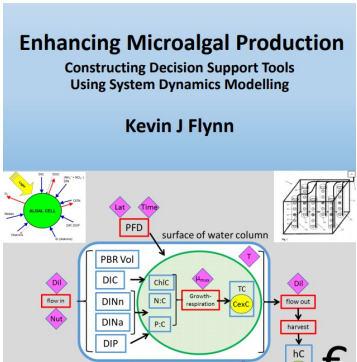

### Inside this issue:

- Workshop at the **Business2Sea Forum 2019** (Porto, Portugal).
- **Associação Portuguesa de Algologia Aplicada (APAA)** Conference (Porto, Portugal).
- EnhanceMicroAlgae at **Marrakech University** (Morocco).
- **3rd Lisbon Microalgae Biotechnology course** (Lisbon, Portugal).

### Other news

#### EnhanceMicroAlgae Conference

A conference organised by EnhanceMicroalgae (EMA) will take place next 17-18 June 2020. The event will be hosted by the EMA team at **The University of Manchester**, in Manchester, England, UK. More details will be released soon, but please **save the date** in your diaries and connect with us to keep up to date with the latest project outputs!

#### Decision Support Tool (DST) book

Part 1 of the EnhanceMicroalgae Decision Support Tool (DST) book is now complete! The DST book delivers core information regarding commercial growth of microalgae and provides you with modelling and simulation tools. New chapters for this book will be added over the coming months, so be sure to check our project web site and [download the latest copy!](#)
